FORWARD!

As our four years of high school draw to a close, we desire to leave a memento which will not only perpetuate the memory of the Class of 1942, *but which will also preserve for its members the friendships formed and the associations made while in school. Therefore the staff has prepared this book, which we hope will serve these purposes.*

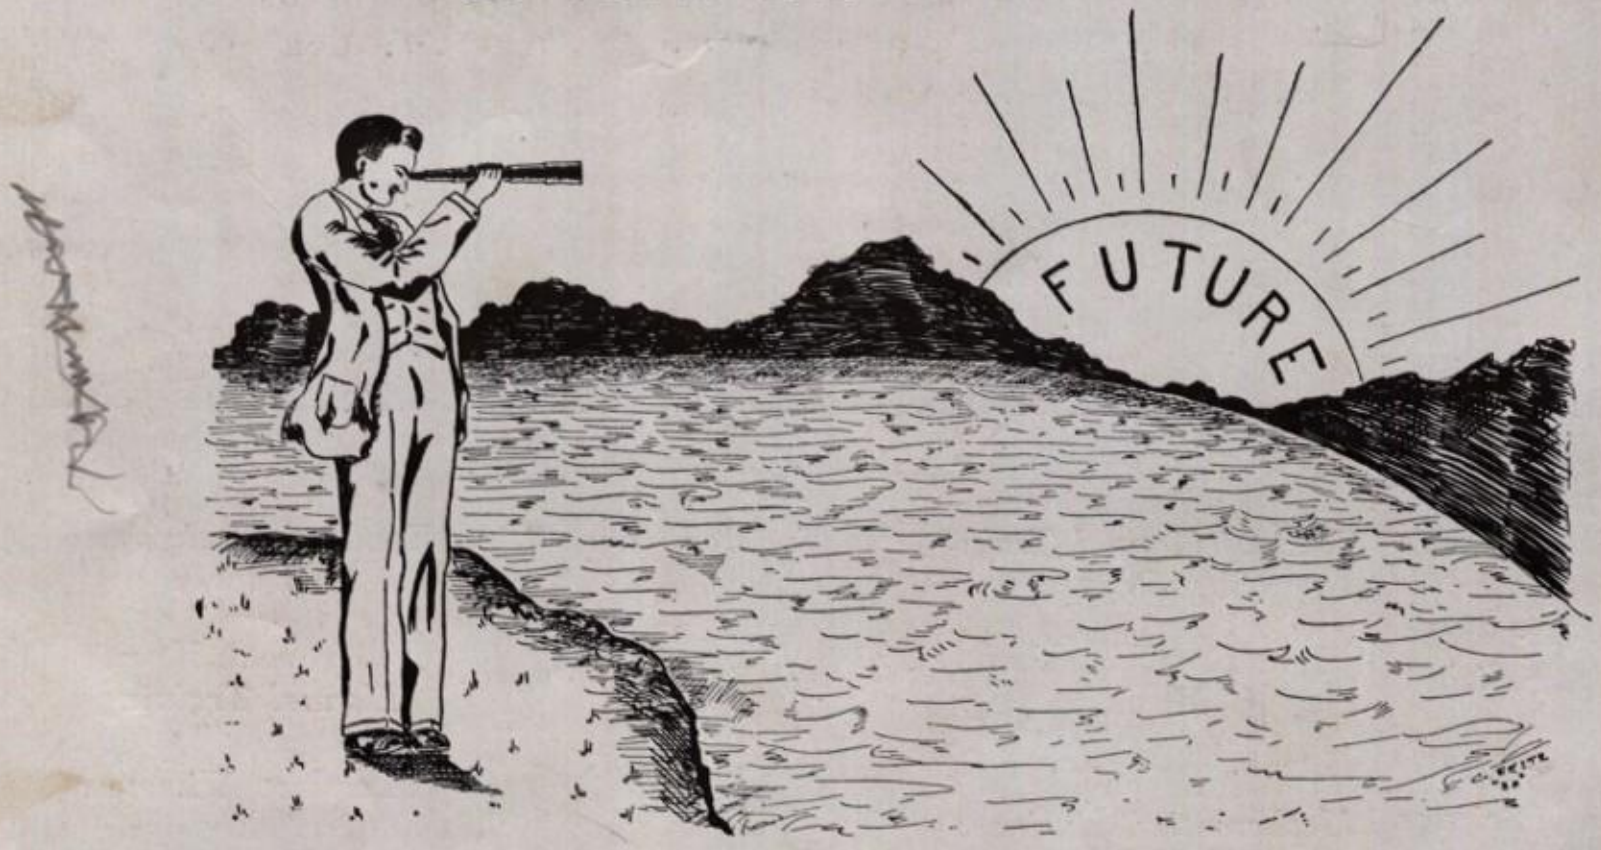
SENIORS



Class History . . .

Perhaps more events of world interest have occurred during the past five years in which the 1942 graduating class has attended Westminster High School than have happened in any similar span of time. Since high school ambitions form the basis for future life, it is appropriate that we, as graduating Seniors, record our achievements, "and departing leave behind us footprints on the sands of time."

We were Seventh Graders

We willingly took our places on that September morning, for we wished to orientate ourselves to new surroundings. Our feature production of this year was an operetta, "The King Sneezes". During the year an important innovation was instituted. Our class enjoyed the privilege of being the first seventh grade to graduate in the new high school building. With this milestone behind us, we turned our backs upon elementary school, and resolutely strode forward, eager and yearning for the four years of high school which lay ahead of us.

We were Freshmen

We seem to be a class of "firsts". Along with the introduction of a public address system in the school, came our first experience with home room organization. We were not able to take an active part in the extracurricular schedule during our Freshman year, but we awaited eagerly the day when we could do our share in this type of activity.

We were Sophomores

Time passed, and we now were Sophomores. This year a few students were selected for practice in outside activities, and occasionally nervous Sophomores could be observed taking part in assemblies. We also assumed more responsbilities, via class organization. Our Valentine Day party pointed the way ahead for bigger and better social affairs.

We were Juniors

As we grew older and wiser, we left the Sophomore class and became "Jolly Juniors". This year we took a more active part than ever in the extracurricular activities of the school, performing in athletics, the Christmas play, and the senior operetta, "The Gondoliers". Our St. Patrick's Day party will always be remembered as an event of great success.

We are Seniors

Seniors we are at last, and "War Seniors", subject to many priorities. For suddenly, on December 7, we were startled out of our peaceful existence by the ominous declaration of war. The most direct effect of the present conflict upon our class is that it brings about our graduation at an extremely early date. Nevertheless, we must "carry on" and aid our home front, Westminster High School. The Senior year is the culmination of all of the dreams that fill our four years of High school.

When we became Seniors, we took upon ourselves a burden of responsibility, heavier than that assumed in any other year. Members from our class were chosen to be monitors, whose duty it is to keep order in the halls. We received our rings, which symbolize our work while in high school. In the dramatic field, we produced a minstrel show, and a Christmas play, "The Saints Return". We held several dances, including a Hallowe'en party, an intitiation hop for our new gym built during this year, our Senior party, a home economics dance, and the Senior prom, an event of color and beauty. And finally we arrived at the two occasions dearest to all of us, class night and graduation. We have now reached the events which close the book of our high school career, and open the way for a larger and fuller life in the outside world.

Class Song

Here 'neath our Maryland's blue mountains,
Here is our Westminster High,
Where on the crest of the Blue Ridge,
Memories never die.

Memories, memories of our school days,
Westminster High, we'll always think of you.
All through the years our love will remain undying,
Westminster High, Westminster High,
Through life we'll remember you.

Here's where we spent many hours,
Gaining more knowledge each day,
Here's where we made friends and comrades.
Joining in work and play.

Soccer

True to tradition, the Westminster High School socccer team has displayed fine sportsmanship, loyalty, and perseverance. Sandwiched between two wins were seven losses, but the boys always gave their opponents a clean and hard-fought game. With Mr. Earhart as coach and "Bob" Green as captain, they gave forth their best.

Fieldball

Under the combined leadership of Miss Wharton and Miss Brown, the girls' fieldball team won the first game in its history. The pep and spirit of the girls is to be admired by all, and win or lose, they always put their best into the game.

First Row: Frebertshauser, Hoff, Beacham, Dodrer, Dutterer, Shauck, Ecker, Bankert. Second Row: Wharton, Peltz, Barnes, Long, Taylor, Duvall, Haines, Brown.

Ensor, Schaeffer, A. Cronise, Holloway, E. Cronise, Garey, Hendrickson, Dickensheets, Earhart.

Golf

Despite the short season for practice because of early graduation, the golf team enjoyed a very successful campaign. War conditions did not allow for such an elaborate schedule of matches as the group had the previous year, but Towson Catholics was a worthwhile innovation to the season's bookings.

A. A. A. Patrol

First Row: Bertholf, Frebertshauser, Poole, Martin, Bowers, P. Beard, Seipp. Essick, Peltz, Spencer, Haines. Second Row: Hoff, Saltsgiver, Herring, Flickinger, Brehm, Bankert, Flater, Dell, Beachman, Hoff.

This organization, whose captain is Paul Beard, has been doing excellent work in assisting in parking, directing traffic, and taking care of school children on the buses. Our students are always under the guardian eye of the A. A. A. patrol.

The Band

C. Marker, Hutchinson, Babcock, Buckingham, D. Bennighof, Myers. Engle. Smith, Ecker, H. Beard, Wampler, Arnold, Mathias, Stevenson. Second Row: R. Bennighof, Myers, D. Beard, Frock, J. Hurwitz, Herring, Darr, Sies, Haines, Jackson, Shoemaker. Third Row: Elseroad, Royer, Herr, M. Hurwitz, Schaeffer, Twigg, P. Beard, B. Maus, Bertholt.

By combining the A band and the B band of last year, Mr. Elseroad has produced a much larger organization, with all types of instruments well represented. A musical group of this kind is of great value to the school, and it is hoped that more pupils will take advantage of the opportunities it offers.

Art Club

The Art Club has done all in its power to serve as a medium of publicity for extra-curricular activities in Westminster High School. This year, with dances more frequent than ever, the art squad has contributed more than their share toward the success of these social gatherings. In addition to this, the club created the amusing mascots for the Magazine Compaign. The art instructor, Miss Aileen Algire, is serving as advisor, and the student body sincerely appreciates the work being accomplished by her and her staff.

Dramatics

Probably the most active club in our high school is the dramatic club, directed by Mr. William Granville Eaton. This club has not only studied enunciation and expression but it has put on several one-act plays for Thursday assemblies. The members of this club also have learned to adapt stories of famous authors for radio use.

Library

The library club is perhaps a more representative cross section of the Westminster High School student body than is any other club. In this organization the members are taught many branches of library work, such as cataloguing and shelving books; helping students to find references; planning library assemblies for the school; and actually taking charge of the library. This club has been taught by Miss Katherine Fiscel and by several practice teachers from Western Maryland College.

Glee Club

The Westminster High School Glee Club is made up of junior and senior students. This choral group makes public appearances throughout the school year. The organization, led by Mrs. Lou Ross Hawkins, sings for the Parent Teacher Association, student assemblies, and school productions.

Journalism Club

The Journalism club exists primarily for the purpose of teaching its members enough about Journalism to enable them to publish "The Owl", our school magazine and paper. These Senior and Junior classes form the basis of the "Owl" staffs. Each year, under the direction of Miss Katherine Fiscel, the Junior group is trained so that it may take over the responsibility of the paper for the following year.

Camera Club

Under the direction of Mr. Curvin M. Seitz, the Camera Club meets once a week. The programs for these meetings are both formal and informal. This year the club has been striving for two aims: to learn more about photography; and to make better pictures.

Orchestra

The orchestra is under the direction of Mr. John K. Elseroad. Each year the orchestra participates in assemblies, P. T. A. meetings, and other outside activities. It is gratifying to note that there is added interest in this organization this year, and that the membership has increased.

Lou Ross Hawkins Musical Society

The music loving students have at last grouped themselves together to form the Lou Ross Hawkins Musical Society. The aim of this well-known society is to help the students to acquire a deeper appreciation for the better types of music. Throughout the year the club has sponsored several trips to operas and other musical events. The most outstanding was the trip to New York City to visit the Metropolitan.

French Club

This organization, although a small one, is enthusiastically building for a better knowledge of French among the students. In its meetings, during which only the French language is spoken, this aim is accomplished through entertainment. Under the capable direction of Miss Kathryn Foltz, the French teacher, the students have benefited from their association in the club, and have come to have a stronger and more thorough understanding of the French language.

Home Ec. Club

Those responsible for the excellent work of the Home Ec. Club this year are Miss Hull and Mrs. West, a new-comer to W. H. S. Through their efforts it was possible for the club to become a branch of the Betty Lamp Club of Maryland. This organization has not only carried on the usual work of the club but has aided the Red Cross in many worthy projects. The Annual Home Economics Dance was held in the new gymnasium.

MAGAZINE SALES REACH $2502.25

Breaking all precedents for magazine sales established in former W. H. S. Campaign, the two opposing teams, the Marines and the Navy, came to a splendid finish as they reached the home line when the clock struck 12:30 on Monday, February 2. Home room sales and individuals run-ups completely snowed under all records made in former years. The total sales for the entire campaign amounted to the amazing figure of $2502.25.

This year the school was divided into two teams—the Marines, captained by Melvin Hurwitz and the Navy, led by Doris Dutterer. As faculty sponsors, Miss Miller and Mr. Engle were selected for the Navy and the Marines, respectively. Through out the entire campaign the closest rivalry prevailed, but finally the Marines gained victory by a margin of $75.25.

As individual salesman, Roland Ensor attained the glory of bringing in $145.00, an amount which far exceeds all records for personal sales in the school.

The Saints' Return
A Christmas Play

A production filled with the spirit of Christmas was presented as the annual Christmas play on December 18, 1941. The story is as follows:

A group of saints, weary of the earth with it constant wars, and feeling that there are no more miracles, decide to return to heaven, and meet at Saints' Rest, the halfway point between heaven and earth. Just as they are about to ascend the golden stairs, they meet a man and a woman who have lost their way and who wish to return to the earth. When the saints observe how much more faithful to their fellow creatures these mortals are than they themselves have been, they are ashamed and go back to their tasks on the earth.

The saints, around whom the play is centered, represented the following countries: from Spain, Saint Teresa; from England, Saint George; from Ireland, Saint Bridget; from France, Saint Martin; from Italy, Saint Francis; from Hungary, Saint Elizabeth; and from Germany, Saint Nicolas. Other characters were the Guardian Angel, an old man, and a young mother. The following people took part in this production: Dorothy Jane Johnson, Thomas Holmes, Lucy Jane Stoner, Robert Stansbury, William Holloway, Edna Archibald, Howard Haines, Dewey Jones, Beverly Chew, and Dorothy Long.

This splendid dramatic production was under the direction of W. G. Eaton.

Holloway, Stansbury, Chew, Holmes, Haines, Stoner, Archibald.

Director: W. G. Eaton. Back Row: Leppo, Kolb, Dorsey, Beard, Bowers.
